SETA	<p>Grants and accreditation requirements</p> <p>Many of our delegates enquire about the accreditation of our events. There is a misconception that organisations qualify for SETA grants only for accredited programmes. This is not correct. The payment of SETA grants is regulated by the Government Gazette, no. 9867, Vol. 570, 3 December 2012, no. 35940. These Regulations clearly state that the SETAs “must allocate a mandatory grant to a levy paying employer” that has submitted a WSP and ATR by the regulated date, has provided all the information required in the regulated template, and is up to date with skills levy payments. Furthermore, the template in the Regulations (Section C: Skills Development) allows employers to include ALL planned training in the report; not only accredited programmes.</p>
